HYDRATING LIP PLUMPER

Broad Spectrum SPF 30

- + Sunscreen
- + Hydrator
- + Collagen Treatment
- + Visible Volumizer

Sunscreen SPF 30 protects from UV damage

Hyaluronic Acid draws and locks in moisture

Peptides help support healthy collagen production

Ceramides provide nourishment and improve texture of lips

This multi-functional, pigment free lip treatment protects lips while helping to restore hydration and youthful volume. A proprietary complex of stimulating ingredients enhances natural color. Immediately, lips appear more plump and defined, with lasting benefits to lip hydration and overall health.
